Dear Parents,

TERM 2 HIGHLIGHTS

It’s no surprise that Term 2 has “flown by”, given the many events and activities that have occurred across the school.

“Grandparents Day” was certainly a highlight for our Whole Community, and the students enjoyed the Education Week activities. Our art displays, musical performances and sporting achievements, in addition to the dynamic classroom programs allow us to share what makes Carrum so special to all of us!

Grade 3/4 students had a wonderful experience at Camp Manyung and the Junior School Council published their first magazine with stories, puzzles and competitions. We held a fantastic breakfast, provided by Woolworths supermarkets following our “Wheels’n’Heels’ Day as part of World Environment Day activities. Some new chickens were hatched and raised and are living happily in Rum-B-Run. Our Prep students have learnt an enormous amount about tools during visits to their classrooms and students in Grades 1/2 have learnt much about the Human Body.

I congratulate all of our students to on their contribution and participation to the vast array of activities and programs and their commitment to learning. I would also like to thank all staff for their hard work and dedication over this very busy term, as well as the many parents who continue to assist our students in so many ways.

You have all certainly earned a holiday!

STAFF NEWS

Many of you may be aware Mrs Shaw will be on Long Service Leave from the start of Term 3 and will be replaced by Mrs Fisher. She will return to school on August 9th.

All teachers have been involved in planning programs for Term 3 and I know classes and programs will have a smooth start.

ANNUAL REPORT 2009

At last Thursday’s meeting in addition to the new DEECD report, Jenny Ridgway and I presented reports from the School Council President and the Principal. They are included with today’s newsletter. It was also a pleasure during the meeting to welcome back Mrs Sue Morriss and present a Certificate of Recognition from the Minister of Education acknowledging her six years of dedicated and much valued service to Carrum Primary School.

ULTRANET TRAINING

You may have read about this exciting initiative being introduced to school communities throughout this year. In Weeks 1 & 2, next term Ms Soler, Mrs Miller, Mr Mulcahy and I will attend two training days to begin the implementation process for our school community. More information will be provided about the process then.

As it is the last day of term, school will conclude at 2:30pm with a Whole School Assembly commencing at 2-10pm. Term 3 commences on Monday 12th July at 9:00am.

I hope all our school families have an enjoyable and relaxing break.

Regards,

Alana O’Neil
Principal

STUDENT BANKING
It really is fantastic to see so many students banking on a regular basis, keep up the great work everyone. And remember that any amount deposited is better than no amount, it all adds up eventually.

Remember to hand your bankbooks in early to you class teacher so you don’t miss out. Senior students participating in sport on Friday mornings can take their books to the office before the bell or have a younger sibling hand it in to their teacher.

Also a reminder that siblings younger or older not attending our school are welcome to do their banking through us, just send their book along to school in the usual manner for processing.

Remember, every deposit made helps you & helps our school.
