Hello Parents/Grandparents/Guardians,

Do you have an hour free each week?

We need volunteers in our Gardening classes and would love your help. No previous gardening experience is necessary. The classes are great fun with a wide range of activities on a weekly basis. In grades five and six the students also regularly help out the Carrum Foreshore Rangers and Friends of Roy Dore Reserve.

Please note that if your child is in grade five or six they will garden as two class groups, not in their own grade and are labelled 5/6A and 5/6B.

If you can help, please fill in the following table and return it to the office.

Thanking you,  
Elise Ioviero
