Dear Parents,

In 2016, Grade 3-6 students who own an iPod Touch/iPad/Tablet, are invited to bring their device to school and use it in the classroom.

Students will be required to sign their personal device into a secure box in their classroom upon arrival each day and sign it out when they leave. This box will be kept in a secure location at all times.

As part of our ‘Bring Your Own Device To School in 2016’, students are expected to follow the school’s ICT Code of Practice (overleaf).

Please complete and return the slip below to confirm that you give permission for your child to bring their iPod Touch/iPad/Tablet to school in 2016.

Please note, if your child does not own an iPod Touch/iPad/Tablet, they will not need one, as they will be able to complete the same activities using school equipment.

If you would like more information, please do not hesitate to speak with your child’s teacher.
