**Kitchen Class**

3/4D at Kitchen by Peter Lawrie

Today 3/4D went to kitchen class to do cooking.

At 9.30 3/4D went to kitchen to make rice paper rolls. It had cucumbers, carrot and herbs. We also had sauce with it.

I thought it was yummy!

**Garden Class**

We have had another busy week in the garden. It has been great to get lots of pruning, tidying and mulching done, which would not have gone so smoothly without our terrific volunteers!

This week we have planted tons of lettuce, leeks, Greek basil and Tuscan kale.

REMINDER- there will be NO garden classes next week as I will be on camp with the 5/6 students. Have a great weekend. Elise

School Banking will start again on Friday 12 February and EVERY Friday there onwards.

I would like to send a warm welcome to all new families joining our School Community & invite you to join in our School Banking program.

Every child must eventually learn that Mum & Dad are not the Bank! The good news is we participate in the Commonwealth School Banking program to help develop these important saving skills. School Banking also includes a fantastic Rewards Program to encourage good individual saving habits.

Taking part in School Banking is easy.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away.

If your child does not have a Youthsaver account, you can open one at any Commonwealth Bank branch, no forms to fill in! Or over the phone on 132221 or via NetBank if you are an existing customer with NetBank access.

Just remember to take in identification for you & your child (such as driver's license & birth certificate), you will receive a Dollarmites wallet & deposit book & will be able to start banking on the next business day - it's that easy! The School Banking program includes an exciting Rewards Program designed to encourage children to get into the habit of making regular saving. Every time your child makes a deposit at school they receive a silver Dollarmite token. Once your child has individually saved 10 tokens they can then redeem them for an exclusive Dollarmites reward item.

This year the School Banking is taking you on a wild adventure through the Canyon of Savings. There are eight new awesome rewards to choose from, plus a new Grand Prize competition where you could win a wildlife family adventure holiday at Australia Zoo, to explore Australia Zoo and meet Bindi and Robert Irwin. All you need to do is make 15 or more School Banking deposits by the end of Term 3, 2016 will be automatically entered into the draw. Find out more at commbank.com.au/schoolbanking

Parent information packs will be sent home with all the Preps soon.
