**Garden Class**

We have had a very industrious week in the garden this week. The students have cleared out all of the garden beds that were vandalised and are now in the process of re-planting them. I would like to pass on a special thank-you to Gabbee Lentini and her family who generously supplied the school with a Bunnings voucher to help replace some of the plants that were destroyed. This allowed us to purchase a large number of seedlings including broccoli, cabbage, cauliflower, leek, silver-beet, lettuce, snow peas and some seed planting mix. As well as planting, all of the students have been working very hard to make sure our school grounds and gardens are as bright and shiny as a new penny ready for Friday’s Welcome to Carrum Evening. I hope to see many of you there! *Elise*

**Kitchen Class**

*by Callum from 3/4W*

The food in our kitchen class tasted delicious and scrumptious! We ate Chinese food on our third cooking class. The group that made the Chinese custard tarts are really good at cooking and they tasted delicious. Mine was a bit burnt but was still great. All the others were awesome!
