Dear Parents,

From time to time photographs are taken of students at work or play in and around the school. These photographs are sometimes considered for use by the school for marketing and publicity reasons, for example – to be published on the school’s website, in the newsletter, the annual Yearbook or in the local newspaper.

In the event of a photograph of your child being used by the school, we require your permission. Therefore, please return the attached slip regarding this matter.

If you have any doubts or queries about these two matters, please contact me at the school on 9772 1117.
