Hi everyone,

I would like to congratulate Clem Langford on his appointment as Principal of Carrum P.S. Clem will take up the position at the start of Term 2. In the meantime, I will continue to work with students, their families and staff to maintain the great learning that is happening at Carrum. Please remember to come and see me if you have any concerns.

Welcome to 2016 Celebration!
The weather last Friday was perfect for our Welcome to 2016 family night. It was great to see so many families here, enjoying the food and opportunity to mix with the Carrum school community.

Special thanks to all those who supported us on the night. There were those who coordinated the event and stalls, baked for the cake stall, helped in the kitchen, cooked the sausages, sold food and drinks and helped clean up afterwards.

Thanks to the generosity of Troy from Buxton Real Estate, who supplied the food and drinks for the BBQ, and the donation of time and effort by teachers, parents and students, we also raised about $2200!! This money will go toward the maintenance of the Stephanie Alexander Kitchen and Garden Program and the installation of the Alana O’Neil memorial friendship seat.

Thank you for being a part of, and supporting, our wonderful community.

Pick up and drop off
Our Please ensure that you keep our neighbours’ driveways clear at all times and obey the road rules when bringing your children to school or picking them up.

You would appreciate it how frustrating it would be to not be able to leave, or drive into, your own home because there is a car parked across your driveway!!!

Thanks for your support with this!!
Essential Items Payments Reminder

Thanks to those families who paid the Essential Items payment (that was a part of this year’s booklist) since my last reminder. Marianne, in the office, will happily let you know if you have paid and take payment.

This money supports our Computer/ICT program, whole class materials and the Stephanie Alexander Kitchen Garden. These are all programs that help identify Carrum within the community and they need to be amply resourced to continue at the standard that we are proud of. Cheers, Lois Weldon. Acting Principal

**Garden Class**

Another warm week this week with lots of watering required to keep our veggies bopping along! The students from grades three and four have been busy planting seeds of endive, broad bean and cabbage to raise in our hothouse along with a stack of other maintenance jobs. Many thanks to the parent helpers that come along to keep them on task! This week 5/6a have done a wonderful job in pruning, weeding and maintaining our wetlands at school whilst 5/6b walked over to the Carrum foreshore to pick up rubbish from the beach as a warm up for clean up Australia day. Thanks for all of your hard work!

*Elise*

**Kitchen Class**

What a great week in the kitchen this week. We took our tastebuds to china as we did last week. Absolutely delicious, with dims sims, fried rice, sweet and sour stir fry, and then finishing it all off with a tasty little Chinese custard tart. Ahrrrrr lovely!

While devouring these tasty morsels we had the opportunity to talk about where we would all like to take our travelling tastebuds. Many children spoke about their family heritage and the favourite food they like to devour. We spoke about curries from Sri Lanka, pizza from Italy, and pierogi from Poland. So much we learn about each other in our cooking classes.

I’m particularly proud of this year’s grade 3 students. They are already displaying some great skills in the kitchen, including cautious cutting and terrific team work. There is also very little hesitation with sampling the food. I’m sure they all look forward to next week’s menu.

Have a great week, and I hope it includes some scrumptious food! *Jane*
