Great Week!
We have had another great week at Carrum Primary School with lots of great learning opportunities for students and the staff.

Tuesday was a fantastic and inspiring experience for our teachers. We had the opportunity to reflect on our current teaching of mathematics and develop a more comprehensive understanding of the Victorian Curriculum. Martin Holt, from the Mathematical Association of Victoria, spent the day working with teachers analysing what makes a rich learning task and how open-ended activities can be used to make the learning environment engaging. The contributions by our teachers were outstanding and Martin made comment on how lucky the school is to have such knowledgeable and dynamic teachers to facilitate our students learning.

Once again two of our student leaders, Zach and Isobel, attended the Seafood RSL
ANZAC Day memorial service. Zach and Isobel participated in the service by laying a wreath on behalf of the school community. Miss van der Zee was very impressed by the way our students represented themselves and the school during the service.

We are all looking forward to the Working Bee on Friday 6th May. The Buildings and Grounds Committee have come up with a list of jobs to work through to help make our school look neat and tidy. 'More hands make light work,' so if you are available please make sure you stay around after school and join our working party. We are planning on working from 3:30 to 5:30 and at the completion of the evening we will be holding a sausage sizzle for the workers. This will be a good opportunity to catch up with other families and reflect on all of our hard work. I am looking forward to seeing everyone there!

There is so much happening at Carrum Primary School over the next few weeks. It is important to keep checking the 'more dates' section on the School's Website calendar as everything should be listed there but I have tried to pull out some of the highlights for you. This Friday we have our annual Carrum Primary School Cross Country. This promises to be a very exciting day. It would be great to see as many parents as possible at Roy Dore Reserve on Friday morning, to cheer on the children as they try their best. Our Prep Tour Program starts next Wednesday morning, with a tour at 10am. This is a great opportunity for parents of children who will be in Prep next year to have a walk around the school and get an appreciation of the wonderful programs our staff offer. If you have a child starting Prep in 2017 and are yet to book into one of our tours please contact the office to arrange a time.

Another date for the diary is Tuesday 17th May as this is the day of our school photographs. A notice explaining the ordering process will be going home early next week. If you have any

further enquiries please do not hesitate to contact the office.

Finally, we have our much loved **Grandparents Day on Thursday 19th May**. The children always love having their grandparents come in to share in the learning experience at school. This should be another fun day for everyone who attends. We really value the support and contributions that our families make and I look forward to seeing you all at our upcoming events.

**Garden Class**

This week was a relatively quiet week in the garden as we were away Monday and at Cross Country Friday. Thank goodness for 3/4W who worked extra hard this week! They managed to have a good tidy up around the Rum b Run area, and get two beds planted out with winter veggies that included, cauliflower, broccoli, spinach, broad beans and onions. I would like to extend a huge thank you to Bree Luker, one of our new prep mums for kindly donating four trays of luscious seedlings to our program - it is much appreciated! Cheers, Elise
