This week started on a high note as I had the pleasure of meeting with our enthusiastic School Captains. I asked them to share how they feel about coming to Carrum Primary School. They were so positive about the programs our dedicated teachers offer and told me how much they loved coming to school. Ella shared that when she told her friends from other schools about what they get to do at school they were very jealous. I asked them to think of a wish for what we could do to make our school better and they came up with some great ideas from a whole school writing day to a couple of buildings and grounds projects. We will consider all their ideas and I really appreciate their willingness to share their thoughts on our wonderful school.

Last week I attended a Principal Forum, where I had the opportunity to listen to our Regional Director Stephen Gniel. It began an interesting discussion about the changes that we have adopted in the recently released Victorian Curriculum. The main topic of discussion was based on assessment and reporting. This was extremely relevant as this semester will be the first time our teachers report against the Victorian Curriculum.
This year the school reports will look a little different to previous years. We have refined some of the comments to make the reports more personalised and there have been some changes to language and expectations in student performance due to the change in curriculum, which will be reflected in the reports themselves. Student reports will be sent home on Friday 17th June, accompanied by a letter explaining these changes. Parents will have the opportunity to discuss their child’s progress with their teachers on Wednesday 22nd June. A notice will be going home this week explaining how to register for a parent teacher interview using the School Interviews website. If you have any difficulties arranging an interview time please speak to your child’s classroom teacher.

Our grade 3/4 students had a great time at Camp Manyung. They enjoyed all the fantastic adventure activities and were lucky enough to get a little bit of sleep. Well done to all the students, as I heard they were fantastic for all the staff and instructors. I would also like to thank all of our staff and Noel King for their hard work. I am sure they will appreciate a rest over the long weekend.

This term our Community and Fundraising Committee have done an amazing job at organising our Mother’s Day Stall, Twins Day and Movie Night. This committee is a very vibrant and active group, who are becoming heavily involved in school-based projects. It is important to note that the money raised from these fundraisers have helped us complete a number of long-term projects. Over the next couple of weeks we will be using the majority of
these funds to **install a water tank** next to the bike shed (to help water our vegetable patches) and to repair and update parts of **Rum B Run**. Well done to all the parents and teachers that have made these events possible.

**Next term we will be holding our first Community Fundraising Committee Meeting on Thursday 21st July at 9:05am in the kitchen.** I would like to extend an open invitation to all the members of the parent community and it would be fantastic if you would be able to join us for a cuppa and a chat. I would love to make this a regular event, once a month, and I encourage as many parents and guardians as possible to join us.

We have a number **dates to be aware of** in the next couple of weeks. **Tomorrow** our Grade 5/6 students will have a busy day with interschool sport. **Monday 13th June** is the Queen's Birthday Public Holiday. We hope everyone enjoys their well-deserved long weekend and hopefully we all get to see the Dees beat the Pies! Next week **Friday 17th June** our local schools district will be holding the rescheduled Lightning Premierships. This should be a fun day for our year 5/6 students and I know they will represent our school admirably. Finally, on the **23rd June we will be having a Subway Lunch**. As we no longer have the facility for a canteen this is a good opportunity for the students to have a lunch order.

Red Nose Day - 24 June
Parents, teachers and children are invited to wear red clothes on the day to support SIDS and KIDS. This year the children from Prep will be selling:
* red noses for $3
* wristbands for $3
* pens for $5
* lapel pins for $5
* toys for $6
* necklaces for $8

Act of Kindness Day - 20 June
Parents, teachers and children are invited to help us celebrate our Act of Kindness Day. The challenge is on to find as many different ways as you can to do an act of kindness for someone else. In Prepland we have been doing it all year and our aim is to get to 100 acts of kindness (we are nearly half way there already).

Wanted
An old, solid cubby house for a goat shelter for Brad and Miss Goatie during the winter months. We can alter the openings to fit the goats, all donations greatly appreciated! (Two would be ideal, one would be great!). Please phone the School if you can help!

An important cybersafety message
Our school has registered to take part in eSmart, a guiding framework for schools to manage cybersafety and wellbeing.
eSmart will help teachers, students and the whole school community embrace the benefits of technology and reduce our exposure to cyberspace risks such as cyberbullying, identity theft, online sexual predation and accessing or sending inappropriate images and content.
eSmart is an initiative of The Alannah and Madeline Foundation, a national charity committed to protecting children from violence.

Our work towards achieving eSmart status will involve the whole school community—for example, we’ll be integrating cybersafety into our wellbeing policies, establishing clear procedures to deal with incidents, and delivering curriculum around the smart, safe and responsible use of technology.
We’ll regularly update you on our progress through this newsletter. More information is also available at www.esmart.org.au
Kitchen Class
On Tuesday 7 June, we made and ate some perfect meals. These recipes were:
1. Katelin’s delicious delight (two original recipe pizzas)
2. Cheese tuna pasta bake
3. Toasted BLT’s successful salad
4. Passionfruit curd meringue tarts.

Mrs Carmichael ate and cooked with the kids and LOVED the cheesy tuna pasta bake. There was a lot of food leftover so Jane let the rest of the grade have some.

Everyone likes these homemade recipes!

*We have a school app*

We are now using an app to send instant messages, newsletters and notices.

The tiqbiz app will help our school keep parents fully informed and up-to-date with newsletters, notices, news and events. It’s easy to use and also has the benefit of helping reduce our paper consumption by printing less.

The first step is to download tiqbiz to your phone, tablet, computer... or all of them.

**Search for:** tiqbiz

- **Available on the App Store** iPhone and iPad
  
  *Important: Click ‘allow’ notifications when asked. This is to allow your school to send you important alert notices.*

- **Google play** Android smartphone and tablet.

- **www.tiqbiz.com** Windows & Mac computers.

Once installed, follow the steps on the next page to tick on our school.

Hi All,

The Long Beach Tennis Club now a partner with the Carrum Primary school through the ANZ sports program, has received a substantial facelift with brand new fences to most parts and a soon to be installed state of the art LED lighting system. Apparently similar luminaries are used at the Liverpool soccer stadium, we feel privileged LBTC was selected as the beneficiary of such substantial investment by the Kingston City Council. The completion of the works is due in the next two to three weeks, we hope you will share our enthusiasm at the prospect of enjoying the new facilities.

Holiday Program
Tennis camps will again be held during the upcoming school holidays, booking is open now and essential for the enrolment process.

Dates will be 29th June and 1st July Wednesday and Friday 1st Week
6th July and 8th July Wednesday and Friday 2nd Week

Half Day and Full Day Form signup sheets are available to download form the website......www.Long Beach Tennis Club.com.au

We are especially pleased to inform the many Carrum Primary students who have joined our tennis program, are all progressing well. All our new students will soon possess the skills to take part in entry level competition. The rapid progression largely due to the student’s efforts together with TennisXcel proven classes structure and programs.
