We had some cracking news this week!!! Some new enrolments have arrived at Carrum Primary School. The students and staff were very pleased to welcome 10 little fluffy chicks! They are extremely cute and have now graduated from the incubator to the brooder box. Frau Santamaria and the 3/4 students will have lots of fun learning all about them through our Hatch n’ Scratch program.

It was very touching on Friday when the students and staff went to great efforts to recognise World Principals Day! I was presented with a card and some gifts! One of these was an amazing book answering the very important question, “What does our principal do all day?” The responses were very interesting and I had a good laugh reading over it with my children on Friday afternoon. I think the grade 1/2 K students summed it up best, “Mr Langford is lucky to be here at Carrum.” They are exactly right! Thank you everyone for your continued support.

There are a number of exciting events to look forward to this term starting with Olympic Day, which will be held next Tuesday 16th August from 9:30-1:30. This will be a great celebration that should get
all the students into the Olympic Spirit. Mr Vansittart has chosen 13 different countries for the students to be grouped in and they will represent one of the chosen countries in our Carrum Primary School Mini-Olympics. **The students will work in groups to create a flag for the opening ceremony and compete in tabloid sports for the chance to win Gold, Silver and Bronze.** The opening ceremony will be held at 10:30am. Parents are welcome to attend and cheer on all the students. Mr Vansittart will be making some presentations at assembly next Friday, to recognise extraordinary achievements. **This week your child will be allocated a country that they will learn about and represent.** It would be fantastic if they could dress in the colours of that country on the day. If your child is unable to remember the name of the country please see their classroom teacher. It is sure to be a fun day!

Instead of a Father’s Day stall, this year our Community and Fundraising Committee will be organising the inaugural **Father’s Day BBQ Breakfast on the 2nd September at 8am.** It would be great if all the Dads could come along and have an **egg and bacon roll with their kids.** The cost of the rolls will be $5 and it should be a great opportunity for the children to show their Dad around the school. I hope to see you all there!

Our amazing **School Disco** will be on the 9th September. We will be running two sessions. The **Junior Disco (Prep-2) will run from 5pm-6pm** and the **Senior Disco (Grades 3-6) will run from 6:30-8pm.** ’**DJ W will be in da house**’ and the kids should have a great time dancing with their friends. Entry is $5 per child and $10 for a family. Every child will receive chips/popcorn and a drink! I am looking forward to seeing all those **cool dance moves!**
I would like to finish by congratulating Kayhan for making it through to the Karate National Championships. This is a great achievement and I know he has been training very hard for this event. Well done Kayhan! We wish you all the best for the championships.

Best regards, Clem Langford
Principal, Carrum Primary School

Book Week Reminder
Please remember, boys and girls, that your entries for the Book Poster competition are due by next Wednesday, the 17th August. The words - I love to read - must be included in your picture. Please also remember to put your name and grade on the back of your poster. Super prizes for the winning entries will be awarded on the last day of Book Week – Friday 26th August. Thank you to those students who have already entered - your posters are amazing!

Patrick Guest, a local author, will visit us on the Friday afternoon (26/8 at 2.30pm) to talk to the whole school about his first book ‘That’s What Wings Are For’. The main character is a dragon called Bluey, who like boys and girls with Duchenne Muscular Dystrophy, has weak muscles, but is strong and amazing in many other ways. Students and staff can make a gold coin donation which will be forwarded to the Duchenne Foundation.(www.duchennefoundation.org.au) There will be a book parade on the Friday morning. Students can dress up as their favourite book character or a person who works with books in some way. Four book prizes will be awarded by a mysterious book character.

Can’t wait for Book Week to start!
**Kitchen Class**

Group A cooked amazing food this week! We had all different types of food like muffins, fritters and way more! My group made broccoli and cauliflower fritters. It didn’t take long before they were done!! All the food was amazing and I actually wanted more! It was really fun flipping the fritters because they were like pancakes. Overall the food was delicious and I would definitely make them again. By Ellie 56S

**Garden Class**

We have certainly had some industrious students in the garden classes this week! With the help of our parent volunteers, Mr Vansittart and Mr Hodges our grade 5/6 students have removed two trees and re-gravelled the path and bike shed area and put down aggregate in Rum b Run. An exhausting but rewarding day for all. Not to be outdone the grade 3/4 classes with the help of Andrew and Mr Foster have re-mulched around the new water tank and aviary. Well done guys it looks great. We have also planted out some leeks, bok choy and potato. Cheers, Elise
