Our Olympics Day was HUGE!! Students represented 13 different countries in the Carrum Primary School Mini-Olympics. The opening ceremony was amazing and the tabloid sport activities that followed were brilliant. Mr Vansittart (who orchestrated this stunning experience) will be making some presentations at assembly tomorrow, to recognise extraordinary achievements.

Our Father’s Day BBQ Breakfast is launching on the 2nd September at 8am. It would be great if all the Dads could come along and have an egg and bacon roll with their kids. The cost of the rolls will be $5 and it should be a great opportunity for the children to show their Dad around the school.

Our amazing School Disco will be on the 9th September. We will be running two sessions. The Junior Disco (Prep-2) will run from 5pm-6pm and the Senior Disco (Grades 3-6) will run from 6:30-8pm. 'DJ W will be in da house' and the kids should have a great time dancing with their friends. Entry is $5 per child and $10 for a family. Every child will receive chips/popcorn and a drink!
Book Week

Patrick Guest, a local author, will visit us on the Friday afternoon (26/8 at 2.30pm) to talk to the whole school about his first book ‘That’s What Wings Are For’. The main character is a dragon called Bluey, who like boys and girls with Duchenne Muscular Dystrophy, has weak muscles, but is strong and amazing in many other ways. **Students and staff can make a gold coin donation which will be forwarded to the Duchenne Foundation.** (www.duchennefoundation.org.au) There will be a book parade on the Friday morning. Students can dress up as their favourite book character or a person who works with books in some way. Four book prizes will be awarded by a mysterious book character. **Can’t wait for Book Week!**

Attention!

Please note the school crossing will be supervised between 8:05am and 9:05am until the end of term. Please ensure your children arrive between these times. **Thankyou**

*Go Kayhan!*
Garden Class
We have been really lucky with the weather again this week. In our 3/4 classes we have managed to get the last of the fruit trees pruned and tidy and prune around the gate and bike shed. We re-planted the boat garden with herbs and also planted out some beans, celery and cherry tomatoes. The students in 5/6 group A headed off to the foreshore once again to put tree guards around the trees we planted on tree planting day whilst 5/6B spend their time tidying up the wetlands and ensuring Rum b Run and the aviary were in top shape. Cheers, Elise

Music.ly
Music.ly is an app where ‘musers’ can create short music videos by selecting parts of popular songs and recording themselves singing, lip-syncing or dancing. These videos can then be shared on the app or through other social networking sites (including Facebook, Twitter and Instagram). To download this app you must be at least 13 years of age.

Privacy Settings
When first creating an account, the privacy options are set to default. This means anyone is able to follow and view another’s videos. Setting up a private account can be done through a person’s profile. Selecting the gear icon in the right hand corner and choosing settings. Once their account is made private musers must approve followers and only those that follow them are able to view their videos. Even with a private account other musers can search for their account and see their profile picture, username and short bio (just not their videos). It is therefore; very important that musers restrict and select carefully the information they are sharing.

Explicit language and content
Parents should be aware that some of the songs featured on this app may have content not appropriate for their child, including swearing and content of a sexual nature. Explicit content is fairly well hidden, but not completely impossible to find.

Blocking and reporting inappropriate content
Musers are able to block and/or report another muser, should they come across an inappropriate video or be the receivers of negative comments. To do this, they go to the person’s profile and clicking on the three dots in the top right corner, select ‘block this user’ and ‘report abuse.’ To take it further musers are able to screenshot the inappropriate content and send it to info@musical.ly.
