I had an interesting Monday morning, as I attended the Mornington Peninsula Principal Forum. Stephen Gniel our regional director discussed the critical work that will be taking place in Victorian Government Schools over the next 12 months surrounding the implementation of the Victorian Curriculum and the Framework for Improving Student Outcomes (FISO). Principals discuss the importance of collaboration in developing Communities of Practice within schools and across the network. I see this as a great opportunity for our school as we constantly aim to develop our learning community and improve our student outcomes. It raises the important question of what role our teachers, parents and students play in getting the best out of each other, and how we can be as supportive as possible to enable our students to be their best. As part of our staff discussions we analyzed and
reflected upon the areas of success and areas for improvement of our instructional models for teaching and learning. It has also made us reflect on how our community assesses and reflects on the way we prepare our students for every school day. Over the coming 12 months I will be challenging myself, staff and parents in relation to how we can improve our preparation of students to support them to set explicit goals, think critically to solve problems and improve their learning outcomes.

I am looking forward to Friday and the reintroduction of the Carrum Primary School Book Parade! It will be great to see everyone dressing up as their favourite book character. Frau Santamaria and Karyn Fever have organized a great day starting with the Book Character Parade at 9:15 and finishing with an incursion from Patrick Guest (a local author) at 2:30-3:30. It is requested that all students bring along a gold coin donation to support research for Duchene Muscular Dystrophy. Due to the time of the incursion there will be no CKR or assembly this Friday. It promises to be a great day where children get a chance to connect with the magic of a good book!

The German Poetry State Finals were held last Saturday at the Austrian Club. Four of our students attended and represented the school admirably. They all should be proud of their efforts, as it is a fantastic achievement to get to the State Finals. Well done to Frau Santamaria, Hugo, Charly, Abbie and Mali G for your hard work and dedication.

As advertised in our previous newsletters, Family Life Victoria will be presenting three Sexuality Education
programs for families to attend. We all know that as children mature there are many changes and challenges they face and these sessions aim to encourage parents and children to discuss topics of Health and Human Relations openly and honestly. While some families have already registered for the sessions please remember that the sessions will only proceed if we have a more than 10 families register for each session before Friday 2nd September. I understand that some of the sessions are late in the evening. This is due to ensuring that adequate time is allocated to each of the sessions. I will be attending the sessions and I do encourage all families to book into the sessions appropriate to them.

Community Fundraising Committee Meeting
The Community Fundraising Committee have been extremely busy organizing a number of events for this year. This term we have our Father’s Day Breakfast on the 2nd September and our Disco Night on the 9th September to look forward to. During term 4, we are looking forward to a number of excellent events including our Big Green Festival, which will be held on the 26th November. This is a very active parent committee. If you have any ideas for community engagement or fundraising it would be fantastic if you could to attend our next meeting on Thursday 1st September at 8:30am in the kitchen. Any new ideas are welcome and I look forward to seeing you there.

As our 3/4 swimming program comes to a close and we prepare for our Prep Swimming Program in term 4,
I think it is important to recognise the importance these programs play in our community. As a school we have made a commitment to seek effective swimming programs. Every year the swimming program is reviewed and assessed to ensure that the program does meet the needs of the students. **This year we will be doing a comprehensive review of the programs and establishing what we will be offering in 2017.** Any changes to the 2017 program will be communicated to the school community through the newsletter.

I would like to finish by reminding people that we have a **Curriculum Day (student free day) on Monday 5th September.** The Carrum Primary School Staff will be participating in professional development sessions focusing on collecting and analysing data and student wellbeing.

We thank you for your continued support.

*Best regards,*
*Clem Langford*
*Principal, Carrum Primary School*
**Garden Class**

Our wetlands are looking fantastic this week. The 3/4 students with the help of their teachers and parent volunteers did an amazing job of weeding and pruning them. I think Brad and Miss Goatie were the most impressed with their efforts, they certainly looked like they enjoyed them! The 5/6 students have planted out some potatoes and tended to the aviary and Rum b Run this week. Cheers, Elise

---

**Kitchen Class**

Week 7 was a great week of cooking for Group B. My cooking team, The Bananarama’s, cooked the Warrigal Greens Frittatas. It was a yummy! We also had an all-time favourite Chilli Con Carne but with Kangaroo meat. There was Bush Tucker Dumplings - they were all sooo yummy! Everyone was on their best cooking behaviour. It was a great week of cooking. I am impressed with the whole group. Thank Jane, you’re the best cooking teacher in the whole world! By Charlie 56m
Minecraft

Minecraft is a virtual 3D building game, where players are free to create whatever they would like. There are three different versions:

- The PC version - played on the computer.
- The mobile version - available on iOS Apple and Android devices
- The console version - available on Xbox and PlayStation.

Player options

Minecraft has three playing options, they include:

- Single player - This is solely the person playing the game. No one is able to enter your game and attempt to chat to you through Minecraft chat. It therefore is the safest option for children and adolescents.
- Multi player - Whether your settings are public or private, within the multi-player option, other users are able to join in with your game and contact you. This is where the discussion around who you talk to online is so important, as strangers are able to chat to anyone else playing the multi-player option.
- LAN - This enables users to play together with their friends if they are in the same room and using the same modem via Ethernet or via WiFi.

Child-friendly servers

Servers have been set up enabling families and children to play safely. These servers are ‘whitelisted,’ meaning that you can only join if your name has been added to the list. Therefore, strangers are not able to join in a game. Parents are also able to create their own private servers, where only known friends and contacts can join. A simple search of ‘child friendly servers Minecraft’ in Google will provide you with a range of family and child friendly places to play.

Minecraft is a fantastic game to build thinking and problem solving skills. It enables children to express their creativity in a fun setting. With some discussion and supervision, your child will have a blast creating their own virtual world!
Kilbreda College will conduct an Information Evening for prospective students for Year 7 2018 and 2019 on Tuesday 30 August 2016, commencing at 7.30pm in the Mary Dalton Hall. The Hall will be open from 7.00pm.

We warmly invite and encourage all families wishing to enrol their daughters at Kilbreda College to attend the Enrolment Information Evening.

To register for this evening please visit www.kilbreda.vic.edu.au or email registrar@kilbreda.vic.edu.au Applications for Year 7 2018 close on Friday 17 February 2017 and all other offers will be posted on 27 April, 2017.

Please note that if you are seeking enrolment into Year 7 2019, applications close on 25 August 2017. Offers of places for Year 7 2019 will be posted on 13 October 2017.
40,000 young people and their families participate in Family Life Victoria sexuality education programs every year. Our program is designed to encourage communication on topics of Health & Human Relations and is conducted by trained, experienced educators. It emphasises the importance of family and is attended by adults & children.

### Parent/Guardian Declaration

I, the undersigned, approve of my children named above to participate in the holiday program as organised by the Mordialloc Community Centre. I agree that neither the MCC nor its workers will be liable for lost property, or damage or injury, however caused of whatever nature, sustained by the children in attendance at any program or any of these activities in conjunction with the program. I authorise the person in charge of the event to consent, where it is impracticable to communicate with me, to obtain all necessary medical assistance as may be deemed and agree to meet any expenses incurred by such treatment. I recognise that part of the program will be conducted at venues outside the building and give permission for my children to be transported to such venues as required, by minibus, coach, private car, train or other. During excursions, I agree that my child will wear the designated clothing and name tags for identification purposes.
