Our Book Parade was HUGE!! It was fantastic seeing everyone dressed up as their favourite book character. Patrick Guest’s book session with our students on Friday afternoon was a terrific way to end a great week.

The Father’s Day Breakfast BBQ is on tomorrow morning (2 September) and will kick off at 8am. It would be great if all the Dads could come along and have an egg and bacon roll with their kids. The cost of the rolls will be $5 and it should be a great opportunity for the children to show their Dad around the school.

Our Hot Hot School Disco will be jumping on Friday 9 September. We’re running two groovin’ sessions. The Junior Disco (Prep-2) will run from 5pm-6pm and the Senior Disco (Grades 3-6) will run from 6.30pm-8pm. Entry is $5 per child and $10 for a family. Every child will receive chips/popcorn and a drink!
Reminder - Curriculum Day (student free day) on Monday 5th September. Carrum Primary School Staff will be participating in professional development sessions focusing on collecting and analysing data and student wellbeing.

This week, Laetisha Scanlan, Australian Olympian at Rio 2016, shared her fantastic experience at the Olympic Games with Grade 1/2 students and on Radio Carrum (Click to Listen).

Discovery Evening for Prep 2017 students & parents will be held next Tuesday 6 September from 6.30pm to 7.30pm.

Shane Jacobson
On Sunday the 28th of August 2016, my family and I participated in the Parkinson's fundraiser, a walk in the park. Starting at Federation Square, we walked around the Yarra River for four kilometres.

My family does the Parkinson's walk every year to raise money and awareness for a disease that my pa has.

At the beginning of the walk Shane Jacobson, star of the movie oddball, was making a speech as he is an ambassador for Parkinson's disease. When we left the stage my auntie Mel asked if I could have a photo with him. I told him I had recently done a project on Middle Island, and oddball is my inspiration (a film that Shane Jacobson stars in). Every dollar raised by A Walk in the Park helps to support people living with Parkinson's in Australia.

Kitchen Class

All the food in the kitchen has no chemicals, and many of the vegetables are organic. My favourite thing in the kitchen to do is the pizza cook off. We pick the vegetables from the garden. At the end we clean up everything like the benches, floor and dishes. Sometimes we speak German, and learn different ingredients in German. If the onions make you cry, you are allowed to go outside and get some fresh air, and when you are better you come back inside and do other jobs. After we do the cleaning we do the thank-yous, then we go back to class and continue. By Kayhan 3/4W

Positive Parenting: a balanced approach to raising children
15th September 2016

The Anxiety Disorders Association of Victoria, Inc presents an Information Session on Positive Parenting for parents, carers and teachers

It's challenging being a parent. We receive mixed messages from other parents, family and the media. So what is the best way to parent our children in a positive way and to feel positive about ourselves as parents? Positive Parenting will focus on two aspects:

1. How to deal with our children in a respectful, positive, proactive way
2. How to nurture ourselves and not spend our quality time with our children feeling exhausted and guilty.

Parenting is about being in touch with our children’s needs, and treating them with the respect that they deserve.

About the presenter

Sally-Anne McCormack is a clinical psychologist with private practices in Blackburn and Burwood East in the eastern suburbs of Melbourne, Victoria. She is a registered psychologist, media commentator, former teacher, wife and mother of four. She has extensive experience dealing with a broad range of mental health disorders especially depression, anxiety and sleep, as well as parenting and educational issues. In addition, she became an author when her first book - "Stomp Out The ANTs - Automatic Negative Thoughts" was launched in 2010.
