What a great term at Carrum Primary School!

We have had so many great achievements in all areas of the curriculum. We have had students representing the school at the District Athletics Sports, Regional and State Finals of the German Poetry competition, State Finals of the National History Challenge, in the Regional Lawn Bowls Finals, National Karate Competitions and at the State Equestrian Finals. Well done to all of these students as making it through to these events is a wonderful effort.

Term 4 promises to present many more amazing opportunities for our students. We have a number of gala days including, swimming and athletics sports, a student based Digitech Conference and our annual Big Green Festival. Term 4 should be a lot of fun for our whole community.

Finally, I would like to wish everyone a safe and enjoyable holiday period. It is an excellent opportunity to spend some quality time as a family. If you are going away please travel safely and head the flood warnings that have been communicated below in the newsletter.

I look forward to seeing everyone back at school on Monday 3rd October.

Best regards,
Clem Langford
Principal,

Lawn Bowls State Finalists!
Congratulations to Kirra and Geordie (Grade 5/6) who qualified this week for the Lawn Bowls State Finals. Their stunning performance at the Division Carnival has propelled them to the championships on 11 October. Go Carrum!
Garden Class

It has certainly been a busy term in the garden this term with the students in grades five and six focusing on sustainability and students in grades three and four continuing to learn all about organic gardening practices. They were all able to participate in their end of term Garden Guru Quiz’s and it was great to see how much they had learnt over the term. The grade 5/6 classes managed to get into the wetlands this week for a spot of ponding and it was great to see how much aquatic life there was, you can hear the Popplebonk frogs most mornings now before school! Due to the weather being rather wet on Monday and Wednesday the students in 3/4 missed out on ponding but will have the opportunity to get into the wetlands during the first week back next term. Our gardens are looking terrific at the moment and hopefully we won’t have any problems over the holidays, all the same, it would be great if you could help us keep an eye on them too and report any suspicious behaviour to the Chelsea Police.

On behalf of the SAKG program I would also like to express my sincere thanks to the Marshall family, who even though they were away for the past 13 weeks, still generously donated all of the seedlings planted out in the veggie garden this term! Lastly, a big thankyou once again to all our volunteer parents and grandparents who come along to classes throughout the term to share their knowledge with the students and help to make the activities they are involved in run so much smoother. Cheers,

Elise
eSmart at Carrum PS!

This term has been the beginning of Carrum Primary School’s journey towards becoming eSmart. We are well on our way to achieving eSmart status and would like to thank all the parents for their support of our eSmart day last Thursday.

This term we have looked at many of the apps, games or websites that young children may be accessing. Next term our focus will shift to a variety of online resources appropriate for students of primary school age.

Carrum Primary School uses the **Tiqbiz App** to keep our community up-to-date with current events. Tiqbiz is a Free App available to download from the iTunes App Store, Google Play and [www.tiqbiz.com](http://www.tiqbiz.com)

Instructions on how to install the Tiqbiz App are listed below.

---

**We have a school app**

We are now using an app to send instant messages, newsletters and notices.

The tiqbiz app will help our school keep parents fully informed and up-to-date with newsletters, notices, news and events. It's easy to use and also has the benefit of helping reduce our paper consumption by printing less.

The first step is to download tiqbiz to your phone, tablet, computer... or all of them.

**Search for: tiqbiz**

- **Available on the** [App Store](https://apps.apple.com) **iPhone and iPad**
  - Important: Click “allow” notifications when asked. This is to allow your school to send you important alert notices.

- **Android**
  - [Google play](https://play.google.com) **Android smartphone and tablet**

- [www.tiqbiz.com](http://www.tiqbiz.com) **Windows & Mac computers**

Once installed, follow the steps on the next page to tick on our school.

---

**Find and tick our school**

**Log-in**

Open tiqbiz and register/log-in.

**Find our school**

Click the ‘Find’ icon and type our school name into the search bar. You will now see all of our school boxes.

**Tick on**

Click on the grey tick beside our school box and any other boxes that apply to you. When the tick turns green, you're connected.

**Inbox**

Click on the Inbox icon. This is where you will receive our instant messages, newsletters, notices and calendar events.

**Technical Support 9am-5pm Mon-Fri**

Positive Parenting: a balanced approach to raising children
15th September 2016

The Anxiety Disorders Association of Victoria, Inc presents an Information Session on Positive Parenting for parents, carers and teachers

It's challenging being a parent. We receive mixed messages from other parents, family and the media. So what is the best way to parent our children in a positive way and to feel positive about ourselves as parents? Positive Parenting will focus on two aspects:
1. How to deal with our children in a respectful, positive, proactive way
2. How to nurture ourselves and not spend our quality time with our children feeling exhausted and guilty.
Parenting is about being in touch with our children’s needs, and treating them with the respect that they deserve.

About the presenter

Sally-Anne McCormack is a clinical psychologist with private practices in Blackburn and Burwood East in the eastern suburbs of Melbourne, Victoria. She is a registered psychologist, media commentator, former teacher, wife and mother of four. She has extensive experience dealing with a broad range of mental health disorders especially depression, anxiety and sleep, as well as parenting and educational issues. In addition, she became an author when her first book - "Stomp Out The ANTs - Automatic Negative Thoughts" was launched in 2010.
