As Term 3 slowly comes to a conclusion I would like to congratulate all the students on such an outstanding effort this term. It has been jam-packed with many exciting activities for our students to be involved in and they have embraced these opportunities with enthusiasm.

It was great to see so many families at our Father’s Day Breakfast last Friday. There was a very positive atmosphere all through the playground. Everyone had a chance to enjoy an egg and bacon roll while playing games with their dad. I really enjoyed meeting many of the dads and seeing Mr Mulcahy excel on the barbeque. Well done to the mums on the Community Fundraising Committee and our staff for organising this wonderful event.

On Monday, the teachers spent the day with Phillip Holmes-Smith learning about how to effectively use student data to inform teaching and learning. Our teachers had the opportunity to reflect on our current practice, celebrate our success and recognise the areas we can look to
improve in. Our focus has narrowed on developing a growth mindset for all students and how as a team we can challenge them to make as much growth in their understandings as possible. It was a great step on the path to continual improvement of teaching and learning at Carrum Primary School.

Our Prep Discovery Night on Tuesday evening was very exciting. The children loved participating in a number of fun activities with their parents. All of the 2017 preps that were able to attend behaved extremely well and we are looking forward to seeing them again in Term 4 for our orientation sessions. A big thank you to Mrs Shaw, Miss Derix and Miss Bolton for organising the activities.

**Wednesday was a ‘Red Letter Day’ for Carrum Primary School.** Our amazing year 5/6 representatives won the inaugural ‘Golden Chook Award’ for presenting the best school based environmental project at the Big Green Schools Conference at St.Louis De Montfort’s Primary School. The students clearly explained our project relating to recycling soft plastics and the positive impact this will have on our environment. **Well done to Claire, Amara, Aston, Ellie, Harriet, Jack, Kayla, Mattia** and Mr Mulcahy for such a wonderful achievement.

This **Friday DJ M&L will be “In da House!”** and we are looking forward to seeing all the groovy dance moves on the dance floor at the Disco. The **P-2 Disco from 5-6pm and the 3-6 Disco from 6:30-8pm.** Cost of entry is **$5 each or $10 for a family.** It promises to be a fun night for everyone!

Just a reminder that **Family Life Victoria** will be running Sexual Education sessions on **Monday 12th September.** These sessions will address this important area of the Victorian Curriculum and enable parents to open up conversations about building positive friendships and understanding their bodies. We all know that as children mature there are many changes and challenges they
face and these sessions aim to encourage parents and children to discuss topics of Health and Human Relations openly and honestly. If you are yet to book into one of the sessions please do so by Friday 9th September.

I would like to remind people that next week is the last week of term. As we do every term we will be finishing early on Friday. Assembly will be at 2:10pm with the students will be dismissed at 2:30pm. We hope everyone has an enjoyable and safe holiday period.

Best regards,
Clem Langford

Thanks for your fantastic contribution to Jeans for Genes Day. Mrs Shaw was able to send $252.60 to help the Children's Medical Research Institute continue their research into the causes of childhood diseases.
**Kitchen Class**

Back in the kitchen we are working hard to make some delicious food today. We are making broccoli and sweet potato soup, potato and fennel salad (which is what I made), vegie delight, and my favourite - rhubarb crunch.

I liked the rhubarb crunch because it had a very good taste and was perfectly cooked. It was delicious! My group are the cool cooks. We made the potato and fennel salad, and I made the dressing. Every new ingredient we added we made Jack taste it to make sure it was not poisonous. We added some of our own ingredients and it was tasty so we put it in the salad.

eSmart Week!

What a fantastic week of cyber safety learning, including our first ever eSmart Day!

The students looked fantastic in their costumes, with a variety of online digital characters and splashes of purple and yellow throughout the school.

The Preps to grade 2 enjoyed learning about private and non-private information through the fun cartoon Hector’s World. We spoke about the importance of nicknames when online and even created our own nicknames that we could use!

The 3/4s have become cyber detectives on FBI Cyber Surf Island, a fun online game where the students complete different activities and test their knowledge at the end with a short test.

The 5/6s took part in a fantastic eSafety Commission webinar teaching students how to be smart, safe and responsible when online.

We look forward to learning more about cyber safety and becoming responsible users in the online world!
Carrum Primary School uses the Tiqbiz App to keep our community up-to-date with current events. Tiqbiz is a Free App available to download from the iTunes App Store, Google Play and www.tiqbiz.com. Instructions on how to install the Tiqbiz App are listed below.

We have a school app

We are now using an app to send instant messages, newsletters and notices.

The tiqbiz app will help our school keep parents fully informed and up-to-date with newsletters, notices, news and events. It’s easy to use and also has the benefit of helping reduce our paper consumption by printing less.

The first step is to download tiqbiz to your phone, tablet, computer... or all of them.

Search for: tiqbiz

Available on the App Store iPhone and iPad

Important: Click “allow” notifications when asked. This is to allow your school to send you important alert notices.

Android app on Google play Android smartphone and tablet:

Once installed, follow the steps on the next page to tick on our school.

Find and tick our school

Log-in

Open tiqbiz and register/log-in.

Find our school

Click the “Find” icon and type our school name into the search bar. You will now see all of our school boxes.

Tick on

Click on the grey tick beside our school box and any other boxes that apply to you. When the tick turns green, you’re connected.

Inbox

Click on the Inbox icon. This is where you will receive our instant messages, newsletters, notices and calendar events.

The Anxiety Disorders Association of Victoria, Inc presents an Information Session on Positive Parenting for parents, carers and teachers

It's challenging being a parent. We receive mixed messages from other parents, family and the media. So what is the best way to parent our children in a positive way and to feel positive about ourselves as parents? Positive Parenting will focus on two aspects:

1. How to deal with our children in a respectful, positive, proactive way
2. How to nurture ourselves and not spend our quality time with our children feeling exhausted and guilty.

Parenting is about being in touch with our children's needs, and treating them with the respect that they deserve.

About the presenter

Sally-Anne McCormack is a clinical psychologist with private practices in Blackburn and Burwood East in the eastern suburbs of Melbourne, Victoria. She is a registered psychologist, media commentator, former teacher, wife and mother of four. She has extensive experience dealing with a broad range of mental health disorders especially depression, anxiety and sleep, as well as parenting and educational issues. In addition, she became an author when her first book - "Stomp Out The ANTs - Automatic Negative Thoughts" was launched in 2010.
