It was fantastic to see so many families enjoying our 'Welcome to 2017 BBQ'. I would like extend a huge thank you to our amazing Kitchen and BBQ wranglers.

Thanks again to Troy Robinson from Buxton Real Estate Chelsea for his continued support for our community events.

We have been back at school only a few weeks, but already we have had many cases of **HEAD LICE**. **Please be sure to check your child's hair regularly and to eradicate the lice and eggs from their hair if found.** You also need to wash your child's bedding and any soft toys they may play with. Leaving items in the sun for a few days seems to deter the lice, as does washing all clothing and hats in hot water. If you are using conditioner and a comb to find

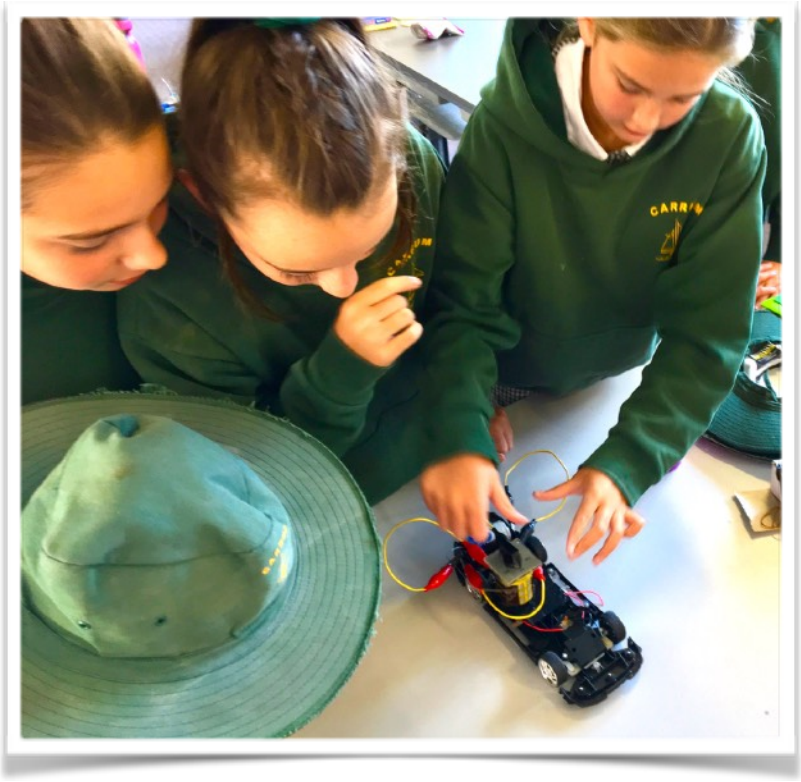
lice, you will need to be extra vigilant in removing the eggs as well.

Thanking you in advance.



RBR News

In the **aviary**, all of our birds are fledged and our baby quails are looking more like birds and less like brown cotton wool balls! **Brad and Miss Goatie** are doing well, and our **chickens** are on the lay. We have one **huge chicken**, the biggest we have ever had – and it's very hard to catch at times. Our **students** do a great job of looking after our animals as do our **weekend rangers**. If you would like to be involved in our farm on the weekends or holidays, please contact me at the school and we can arrange for you to be trained in how we look after our animals.

Best Regards,

eSmart at Carrum PS!

What a busy start to the year we have had, with eSmart activities occurring across the school.

From the Preps having their first visit to the Computer Lab and learning all about our rules to ensure we look after our equipment, to the grade 5/6s enjoying Safer Internet Day!

We have also had the very exciting arrival of our sign to tell the community that we are now a registered eSmart school. Keep your eyes peeled for it appearing along our fence soon!

Just a reminder if you have not done so already, please discuss with your child and return the signed ICT code of practice. Students will not be able to access the internet within the Lab if their form is not returned.

Thank you for your support in ensuring our students remain eSmart!
