## Bike Education Program Grade 3&4 2017

Dear Parents,

In Term 4 students in grade 3 & 4 will be involved in the Bike Education Program. Bike Ed is an important component of the school's Outdoor Education Program and is part of the Health and Physical Education area.

The program organized for our grade 3s and 4s aims to assist the students to become safe and competent bike riders. They will participate in supervised cycling activities, aiming to develop their skills and attain their **Level One Cycling Skills and Simulations Certificate** by the end of grade 4.

The Bike Education Program will run on the following days:

- Thursday 16<sup>th</sup> November
- Thursday 23<sup>rd</sup> November
- Thursday 30<sup>th</sup> November
- Thursday 7<sup>th</sup> December

The first component of the Bike Ed program will be **the helmet and bike check** (this needs to be completed at home). All students will need a bike and an approved helmet in a serviceable condition to take part in the Bike Ed Program. Please check your child's bike and helmet using the information attached. A final check will be conducted at school on the **Tuesday 31<sup>st</sup>, Thursday 2<sup>nd</sup> and Friday 3<sup>rd</sup> of November**. Any faults and repairs indicated on the report need to be addressed before the riding skills component begins.

Regards,  
Bike Education Team
