TERM 1 28 MARCH 2019

Newsletter

This term has flown by and with only a week to go we are still working hard to not only plant up and mulch around our new garden beds, but prepare our outdoor areas and animal enclosures for the Autumn break.

Our students Flynn, Ryan, Billy and Sarah D presented at the **Briars Environmental week** on Monday. (Yes, the weather was difficult!) The students **entertained and educated students from across the peninsula** and were very well received by the organisers and staff from visiting schools. The students worked hard on developing a presentation in a short time frame after their initial presentation had to be abandoned due to our dried up 'wetlands' not producing any creatures for us to study.

One of our families has made a wonderful suggestion to help others less fortunate than ourselves. Charmaine (mum)

and Ruby (daughter) have suggested we recycle our milk bottle lids to make plastic 3D printed prosthetic hands for those in need. Sean from 'envision' wrote:

"We are focussed on milk bottle tops, soft drink and water bottles mostly as they incorporate No 2 and No 4 recycle numbers which are under the top. These ones can be collected in one box which we will use at some stage.

If you can get students and parents just to make sure the tops are rinsed beforehand that would be great. Also advise that we cannot take tops which might have rubber or metal attached as this contaminates the plastic."

Our local **'envision' club** are organizing this and we look forward to all of Carrum **helping out by rinsing their milk bottle (or other) lids and dropping them off to Ruby in 3/4J.**

Recently, **Zoos Victoria have written to us to congratulate our students on their work from the end of 2018**. After a visit to Healesville Zoo last year, we made brochures about endangered animals. They were sent off to the Zoo and Rebecca Grey from Zoos Victoria wrote:

"I am writing to say thank you for the amazing pamphlets that you recently sent out to share with us here in the Learning Experiences team at Healesville Sanctuary.

Wow! They look absolutely amazing and what an honour it has been to be able to share the pamphlets with our staff. We are absolutely blown away by the high standard of work, time and effort that your students have put into creating these. They are so wonderful that we feel we could even use them in our shop and around the Sanctuary as a resource with our visitors!"

Continued thanks for supporting our sustainable efforts.

Kind Regards,
Mandy Carmichael
Assistant Principal

Parents interested in **NAPLAN type practice tests for their children** can access information at the following website: https://nap.edu.au/online-assessment/public-demonstration-site

Our annual **Beachathon** **will be held on Thursday 4th April**. Many of the students have registered online and have been collecting sponsorship money. **The money raised from this event will go towards playground improvements at the front of the school.** If your child is yet **to register online please go to schoolfunrun.com.au** and create their online profile. Please note that parent consent to attend this event will be required through Compass.

On **Tuesday 2nd April we will be holding our Grade P-2 Athletics Day at the school**. This will be a fun event to introduce the students to athletics. Students will try their best at a variety of activities. We are aiming to start at 2pm (weather permitting). Any parents that would like to come along and provide support are more than welcome.

Term 1 ends on Friday the 5th April. We will have an assembly starting at 2:10pm and the students will be dismissed from their grades at 2:30pm.

We are seeking **Parent Class Representatives** for each class at Carrum PS in 2019.

What is a Parent Class Representative?
The Parent Class Representative provides an important line of communication

between the classroom teacher and parents.

Being a Class Representative is an enjoyable way of becoming involved in the school community. The Class Representative plays a key role linking the parents within their class group. It is a great way to get to know other parents in the school, and to make new friends. It is a relatively easy task and several parents can share the role for a class, if preferred.

Role of the Parent Class Representative

- Assist the teacher in sourcing helpers for activities/excursions, if required.
- Welcome new families to the class and arranging appropriate introductions with other parents of the class.
- Support all parents by providing advice on where to go or who to ask for information when required.
- Encourage parents to get involved with school activities throughout the year.

How To Become A Class Representative

If you would like submit an expression of interest for the Class Representative role, please email **classrep@carrumps.vic.edu.au** OR speak with the School Office.

If you have any questions, please do not hesitate to phone the School Office on 97721117.

Carrum Beach Patrol action to remove litter from our beautiful Carrum beach & foreshore is happening this **Saturday 30 March from 9-10am**. We're meeting on Carrum Beach, near the Carrum SLSC - please bring some gloves. Spread the word - the doors are wide open for anyone who would like to join us!! See you on Saturday!
