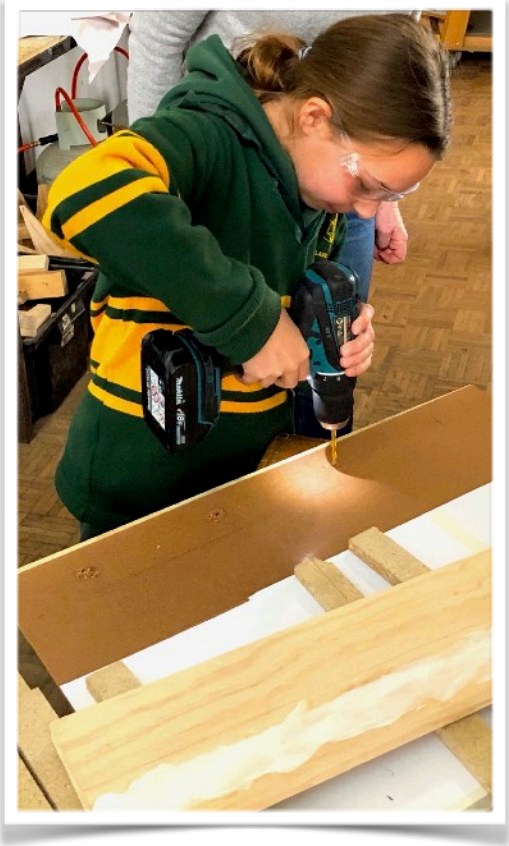
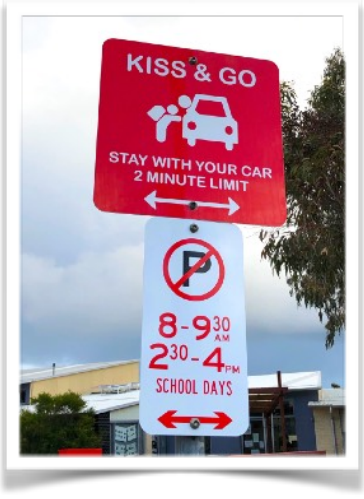
Newsletter



Wednesday marked the hundredth day of school for our Prep students. They have settled in well to school life and we are very proud of them. All the teachers would like to congratulate them and their families on doing so well and we all look forward to them continuing to learn and develop throughout their time at Carrum Primary School.

I have been contacted by the council in relation to the Kiss & Go area at the front of the school. The City of Kingston has asked me to remind parents that if they are using this area at the front of the school they must just drop the children off and then move on promptly. It has been raised that some parents will park and then walk their children into school which increases the wait time in these parking bays and increases the congestion of traffic in Walkers Road. I believe traffic inspectors will be coming around at various times to enforce these parking restriction and we appreciate your support in keeping this area free of congestion.



Mr Mulcahy has been working on a **very special project at Patterson River Secondary College**. **On Monday afternoons he has been taking a group**

of students down to participate in STEM sessions that challenge their ability to use thinking skills to build a race track for cars. The students are required to use their Science, Technology, Engineering and Mathematics skills to design and then make their race track. This is an exciting project that is another component of our amazing transition program with Patterson River Secondary College.

Red Nose Day is on this Friday 2nd August. The Junior School Council Students will be visiting grades to sell a variety of merchandise. **All money raised from this fundraiser will go towards research into Sudden Infant Death Syndrome.** Students are encouraged to wear Red in support of this very worthy cause.

This week the school phone lines have not been able to receive or make external calls. We have been working with Optus to resolve this issue and we hope this will be resolved by the beginning of next week. If parents need to contact the school please email us at **carrum.ps@edumail.vic.gov.au** or by visiting the office in person. We thank you for your understanding.

Looking ahead, our **Fundraising & Community Relations Committee will be running a 'Soup Day' on the 8th August.** Students will need to bring along their own cup to be able to purchase a cup of soup to have for lunch. All monies raised will go back into the school's Stephanie Alexander Kitchen Garden Program. We

also have the **school dentist coming on the 12th August.** Students who have returned their forms will be able to access this wonderful community service. Finally, we will be holing our **'Book Week' celebration from the 19th-23rd August**. We have a number of exciting activities for the students to participate in, including our '**Book Character Parade' on Thursday the 22nd August at 9-9:30am.**

Thank you for your ongoing support.

Best regards,
Clem Langford
Principal

EVERYONE WELCOME!

This group is for anyone who would like to get moving and meet other parents/carers/friends from Carrum Primary School.

We walk for around 30-45 minutes and leave directly from the school every Wednesday morning. We meet outside the school office opposite the PREP area at 9:10am.

If you would like to bring a pram or a dog on a leash that is also ok. This is a fun way to do exercise and meet other people from Carrum Primary.

We have set up a Facebook group to communicate with each other. Click the link below to add yourself to the group. Or speak to Monique on 0415 800 788

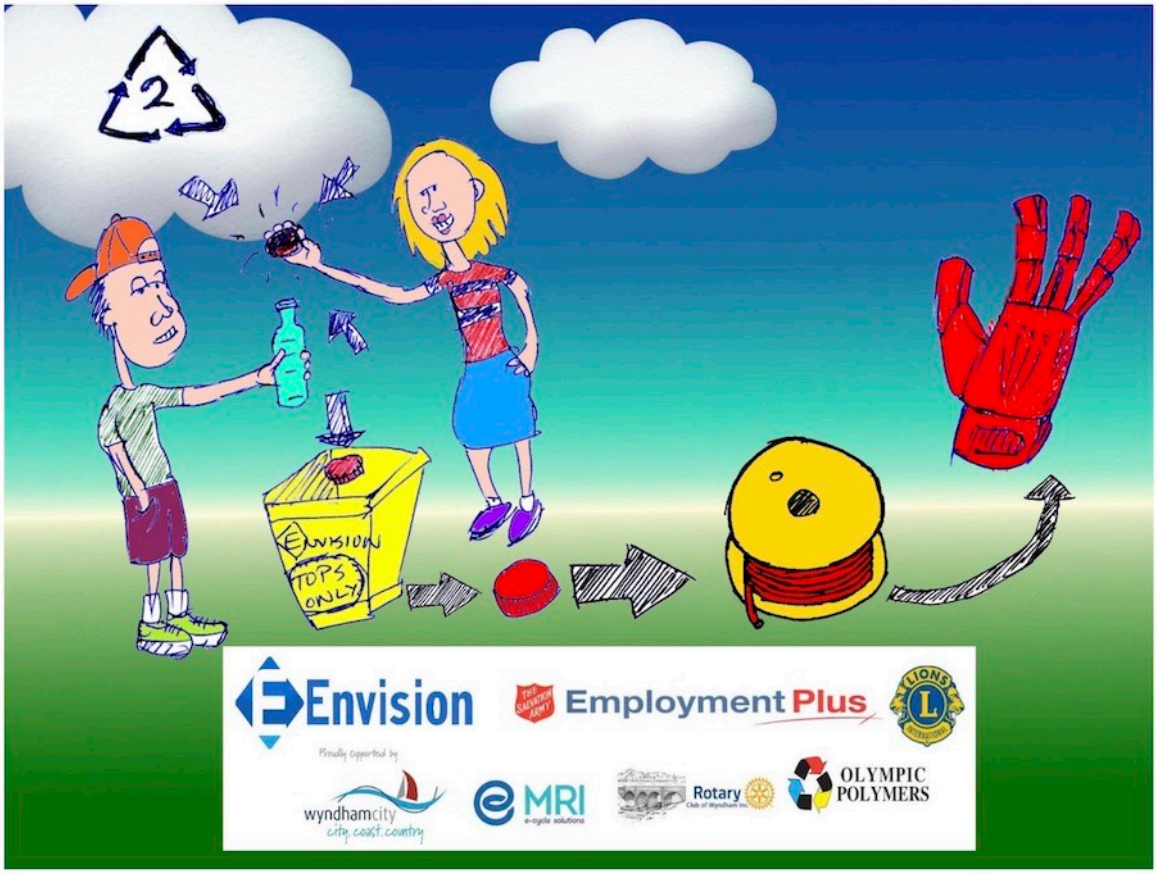
It's so simple, drop in the top



and don't forget to place the empty bottles in your normal recycle bin

This simple separation makes both items easier to recycle and stops them going to waste.
