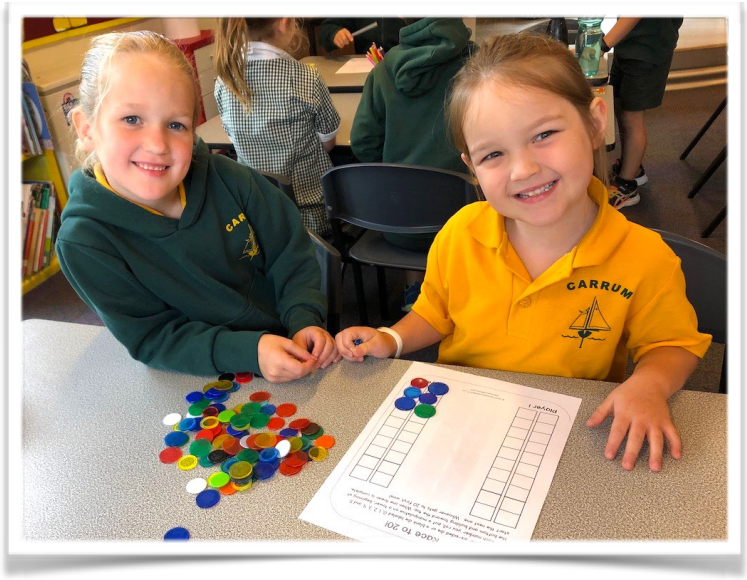
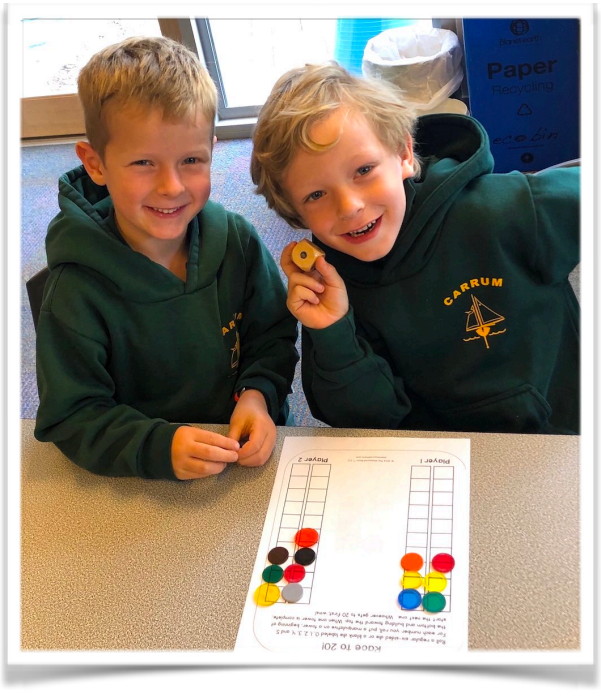
TERM 1

20 FEBRUARY 2020

Newsletter

I have really enjoyed getting into all the grades over the past couple of weeks to see what the students are learning about in their lessons. The teachers have done an amazing job of getting to know the students and establishing a safe and secure learning environment. The students have been setting clear learning goals and are can articulate what they are doing in class and how they know they have been successful in achieving their goals. Our teachers continue to set high expectations for the students and support them to develop a growth mindset that allows them to persist at challenging tasks.





This year our school has a specific focus on improving student outcomes in Numeracy. Teachers continue to implement research based high impact teaching strategies that support students to develop their understanding of

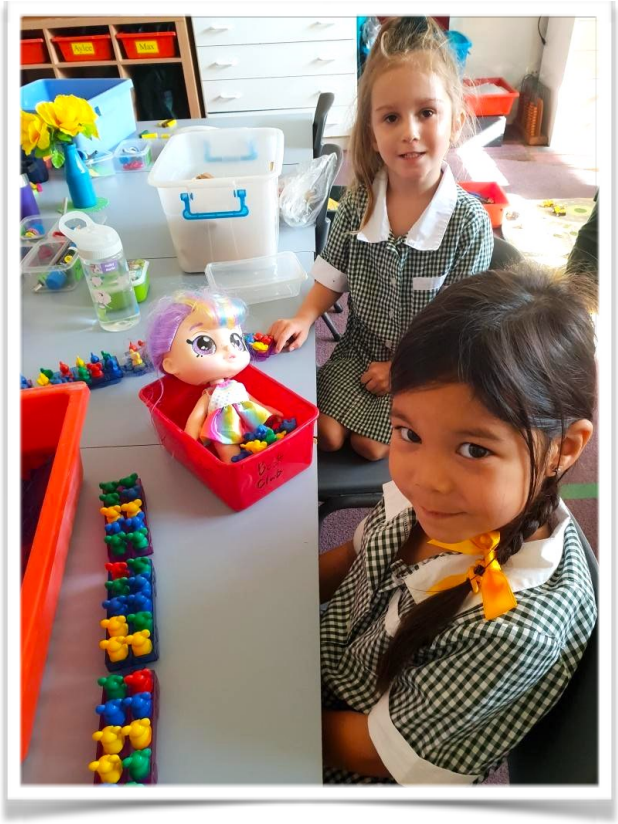
mathematical concepts. Students have been completing challenging tasks that emphasise the importance of problem solving and the thinking processes they follow to solve authentic learning tasks. We know that this work will support students to become more confident mathematicians.

It is very exciting to see our student leaders take on a number of important roles in the school. The students are working in teams to take on a significant amount of responsibility within the school community in the areas of Environment, Communication, Digital Technologies & Design, The Arts, German and Sport. The students in these teams have the opportunity to share their ideas, participate in conferences and link in with community groups to enhance their learning. Our Junior School Council have already met with Mr Mulcahy and have presented a number of great ideas to continue to strengthen our wonderful school. These contributions are highly valued by our staff. We reflect on these ideas and see how we can use them to continue to develop our learning community.

Well done to our swimming team for braving the unseasonal weather yesterday to compete in the District Swimming Sports at Pines Forest Aquatic Centre. The students did their best and competed with school pride and spirit. It was great to hear that many students won ribbons in their events and a number of students will be swimming in the Division Swimming Sports later in the term. Thank you to Mr Vansittart, Mrs Hogan and Miss Radecki for supporting the students during training and competition.

Our new families should now have received their invitation letter and been able to log into Compass. We use Compass to inform parents of any upcoming events and share relevant school information. Please remember to log into Compass regularly to check for notices or let teachers know if your

child has or will be absent from school. If any parents are still having trouble logging into Compass please contact the office.



Just a reminder to all new families who are eligible for CSEF to return their form as soon as possible. Once we have received these forms families can use these funds for any upcoming excursions and camps. Please note that if you have completed these forms in previous years you do not have to complete them again this year. If you need any support with completing these forms please see our wonderful office staff.

Our School Council Election is underway.

We have four parent positions up for election this year. The notice of election and the election timetable have been advertised in the newsletter and around the school. Please do not hesitate to see me if you would like to find out more information about these positions.

Looking ahead, Next Friday, 28th February from 5-7pm, we are holding our annual 'Welcome to Carrum BBQ'. Please come along and join us to celebrate the beginning of another exciting year at Carrum Primary School. It should be a fantastic evening and we look forward to seeing everyone there.

Finally, I would like to thank all the students, parents and staff for making the beginning of the year so successful! We are very lucky to have such an incredible school community who work together to support our students to be their best.

Best regards,
Clem Langford
Principal

13th February, 2020

Carrum Primary School

Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of Carrum Primary School.

Nomination forms may be obtained from the school and must be lodged by 4.00 pm on **Thursday 28th February.**

The ballot will close at 4.00 pm on **Thursday 14th March.**

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows:

MEMBERSHIP CATEGORY	TERM OF OFFICE	NUMBER OF POSITIONS
Parent member	From the day after the date of the declaration of the poll in 2019 to and inclusive of the date of the declaration of the poll in 2021	2
DET employee member	From the day after the date of the declaration of the poll in 2019 to and inclusive of the date of the declaration of the poll in 2021	2

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

ENROLLING

EVERYONE WELCOME!

This group is for anyone who would like to get moving and meet other parents/carers/friends from Carrum Primary School.

We walk for around 30-45 minutes and leave directly from the school every Wednesday morning. We meet outside the school office opposite the PREP area at 9:10am.

If you would like to bring a pram or a dog on a leash that is also ok. This is a fun way to do exercise and meet other people from Carrum Primary.

We have set up a Facebook group to communicate with each other. Click the link below to add yourself to the group. Or speak to Monique on 0415 800 788
