This week the 5/6s have been lucky enough to go to Woorabinda 'Camp By The Waterhole'.

On day one we took a bus to the camp entrance then hiked to cook our lunch over a camp fire - what a start!

We have done so many fun activities using the Woorabinda's **'Three Cs - Courtesy, Co-operation and Consideration'**, which taught us some great skills that we will definitely find useful in the near future.

Some of the biggest highlights have been: **canoeing** on Lake Narracan, the **zipline, high ropes course, bushwalking** and the **disco**. We also enjoyed having a splash today in the hot weather! Seeing the **breathtaking flora and fauna** on the vast Camp property has also been a fantastic experience. We learnt about **pond critters**, Woorabinda's **native wildlife** and we even learnt to make leaf sketches.

Sadly, our time as Woorabinda is almost over but we are very grateful

to the camp staff for our amazing trip and can't wait to get home to see everybody.

This week has been amazing! Camp Woorabinda: a beautiful area with a wide variety of plants and interesting animals. My highlights have definitely been the high ropes and zipline.

At first glance the high ropes were intimidating and scary. I cautiously and carefully did the first few obstacles and slowly gained confidence. By the third go around the high ropes course, I had no fear.

When I first attempted the zipline I held on tightly to the rope and lifted and ducked the incoming branches, and welcomed the blowing wind to my face. There were many more activities, including canoeing, hut building, a big walk over the camp property to feed the animals. I especially enjoyed the night activities - a very competitive trivia challenge, an epic disco, and tonight's movie.

I have grown even closer to my friends and have been hanging out every chance we get, the food isn't too bad either.

I'm looking forward to going back to school and seeing my family again.
