

Cartrum Newsletter

Hello everyone, I hope you are having a great day. I am Finn and I am back to tell you how we are all coping with Remote Learning 5.0!

It is hard to believe that it has been the fifth lockdown in Victoria.

It has probably been hard for some families, but most people I know are going quite well. It is great that we are still moving around and keeping fit even on days pouring with rain.

In terms of school work, I am really enjoying what I am learning, even if we have to do

it on a device. In 5/6 we have been learning about our 'Solar System' which I have found really fun, going out every night to identify what phase the moon is at. I am also starting to develop a routine, which really helps structure my day. It makes me a lot more organised, and being organised in lockdown makes things a whole world easier. To be honest, remote learning

is not too hard, and even if your family is struggling, we will all get through it together.

*Best Wishes, Finn
School Captain*

Good morning, good afternoon and good evening! Welcome back to yet another lockdown at Carrum Primary School. Unfortunately a few events in 5/6 and around the school have been cancelled, but I'm sure that they will be rescheduled (fingers crossed!).

In Years 3 to 6 the German Poetry Competition is still going on, and the students participating are practicing their hearts out. I can't wait to see their final performance, and from what I've heard, it will be great!

In 5/6 we have been learning all about Space for reading and writing, and we have learnt lots about the different planets, their functions and how they benefit the earth. On the other hand, for maths we are learning how to calculate area and perimeter for different shapes and objects.

We are all a bit down because of the extended lockdown, but our teachers are trying to make remote learning as fun and engaging as possible, and having fun activities to look forward to certainly helps us get out of bed in the morning!

We are all very excited for the well deserved weekend ahead, (although we can't do much...) And can't wait to get back to school face to face.

*Best Wishes, Rosa
School Captain*

Alright, so we're

back! Lockdown 5.0 has been going for almost a week now and has been going very well!

In 5/6 we have been learning about the planets in our solar system so far we have covered Moon phases, Mercury, Venus and Mars. Whilst in 1/2 they have been working on their persuasive texts and they are coming along very well.

It's so crazy how covid has changed the world. For over a year now it has had us day dreaming about holidays in the Bahamas. But still, as a community we have to work together to make these dreams a reality.

*Best Wishes, Zara
Communication Team*

Here we are back at it again, lockdown 5.0, honestly I can't say I was too surprised with the news. I

heard today during our google meet that the preps have started to evolve into mini computer pros from all this online learning.

At first when I heard we were going back to remote learning I was like "Oh no! Not again!" But then I started to look at it in a new light, I mean YAY! We get to spend most of, if not all day in our Pj's. For someone who hates getting dressed in the early morning, especially in winter, this is a good thing. I mean after all that has happened, I feel that focusing on the positive side of things really helps.

From someone who has Mr. V as their classroom teacher, I am just loving all the competitions we have for sports. It's amazing how many online tournaments we could fit in. One of the things I have noticed about lockdown is that we have learned to adapt to different

and constantly changing scenarios. Although online learning can have its positives, I am still looking forward to getting back into the classroom once this is all over and can't wait for our school concert.

Best Wishes, Talia :)

Hello! This week was our 2nd week of remote learning.

We have been preparing for the school concert. Our Class is doing **Hawaii**, so I decided to make a drawing for our stage back drop in a Hawaiian style with straw houses and lots of palm trees.

In German, the students practised saying their poems (if they are competing in the poetry competition). I have chosen the **Die Wohnung der Maus** poem which in English means 'The Mouses House'.

*Best Wishes to all! Monika
Communication Team*

TheirCare

where kids love to be!

TheirCare begins for Term Three!

Another term in the rearview mirror and another term arrives ahead of us! While we weren't able to get a full run at it due a fifth lockdown in Victoria this week, it was great to see all of our children back at the program after two weeks of school holidays. We are hoping to continue the growth of our service this term and explore more of our favourite subjects throughout the weeks to come!

What's On @ TheirCare

We've had a great range of different themed activities and games at our service recently.

Our first week back started with a Pupil Free Day so we had so much fun spending all day with the children! We made marshmallow towers (left), watched the movie Bolt, did some painting in the sunny outdoors and made our own hama bead necklaces!

We also did some mindfulness painting (right) and practiced our meditation skills throughout the week.

Reminders

Please keep your bookings up to date. This ensures we can organise adequate menuing, staffing and programming for the service. This will also aid us during the sign in process for after school care sessions.

If a child is on the After School Care roll but has not arrived, our policy is to call parents/guardians. **If we cannot get hold of contacts by 4pm the next stage is to inform emergency services (000).**

Carrum Primary Walk & Talk

This group is for anyone who would like to get moving and meet other parents, carers and friends from Carrum Primary School.

We walk for 45-60 minutes and leave directly from outside the school near the Valetta St Carpark at 9:10am every Thursday morning.

You can invite a friend to come with you, bring a pram with a little one or your dog on a leash, everyone is welcome!

Our group has been walking for 2 years and we have lots of fun. It's a great way exercise and meet other active people from Carrum Primary.

Come and join us!

Help Wonder turn **BREAD BAGS** into **SCHOOL PLAY EQUIPMENT**

It's simple...

1

Collect your empty bread bags and tags

2

Recycle them at school in Wonder's pink Collection Bin
(There is a separate box for bread tags).

3

We'll earn reward points to redeem new sports equipment for every 5kg bin filled!

Our school is in the draw to
WIN 1 of 5 exercise circuits made
from recycled plastic we collect!

LET'S GET RECYCLING!

Tag Wonder on social [#wonderrecycling](#)
to share all your recycling champion stories!

VOLUNTEERS NEEDED

With the children back at school, do you have a free morning once a week or fortnight? Do you love fashion and discovering treasures or are passionate about recycling? Or are you interested in giving back to your community?

Our Community Op Shops need volunteers! They're modern, vibrant spaces with friendly teams, and would love your help. Why not give us a call and find out more.

WHY VOLUNTEER?

- ✓ Have fun and meet new people
- ✓ Learn new skills
- ✓ Volunteering looks great on your resume
- ✓ Use your expertise to help others
- ✓ Make a positive difference and support your community
