

Carrum Newsletter

Hello everyone, welcome back to term 4!

While it may not have been a momentous holiday, I hope everyone was able to relax and enjoy themselves during the break. It's relieving and wonderful to know that we have a set date on returning to school. I think I speak for everyone that we prefer seeing and interacting with each other in the flesh than having to observe a glitching screen.

Remote learning has certainly managed to keep me preoccupied as we are working on many projects and absorbing many topics. The 5/6s have invested themselves in discovering about the lives and inspirations of different poets in literacy, and then applying that knowledge to write our own poems and verses in writing. In Maths we are focusing on chance and probability, trying to determine the likelihood of different outcomes. We are also exploring grids with x and y axes so we can locate any coordinate and conquer any totally existent pirate map. The 5/6s also just began a new topic on Podcasts for STEAM. I'm eager to listen to all the authentic and thoughtful shows everyone will produce.

The spring weather has recently been warm and welcoming so indulge in the sunshine whenever you can and in your extra time unwind and do whatever interests you.

*Best Wishes, Mia
School Vice-Captain*

One of the best things coming up is going back to school. I have missed seeing my friends and teachers. But right now we are online waiting to go back. Well, one of the things I love about online learning is the meets in the morning. Seeing everybody online with their cameras on really makes my day. And the 3/4 teacher's usually let us do some online games which are really fun. Another thing I enjoy online is art. It is always so fun and creative! Learning a new topic this term is so exciting and fun!

The new term has gotten off to a great start. I hope these great and fun activities stay throughout the rest of the term. Also thank you to all of the teachers around the school for putting their best effort into our work every day!!

Cheers, Luna-Rose (3/4M)

Hi, my name is Arisha. My favourite subject online this term is German. We get to present our screens and show our work. It will be sad to see Frau Santamaria leave because she is going to retire at the end of the year. Even though there's not many people in German, Art or Sport, I still enjoy it.

I kind of like the meets, but sometimes my internet drops out and it kicks me out. It's hard times at the moment, but hey! Look on the bright side of life! We will be back at school soon, besides we all love a pyjama day don't we?

Cheers, Arisha (3/4P)

Each morning after I wake up and have breakfast, I get ready for my day of remote learning. Usually I'm at home with my mum but sometimes we both go to my mum and dad's school or I go with dad. Mum and I both have meetings at the same time but when I've finished my meeting, I join her Grade 6 class for their game, Kahoot. They have lots of different topics like movies, sports and music. The grade 6 kids don't like it when I win the Kahoot.

It is hard working at home because I get distracted very easily. I often hear the pantry or fridge calling out to me or I have a break and play games but forget to get back to work. I always remember when it is time for Art with Mrs Hodges. It's the highlight of my week!

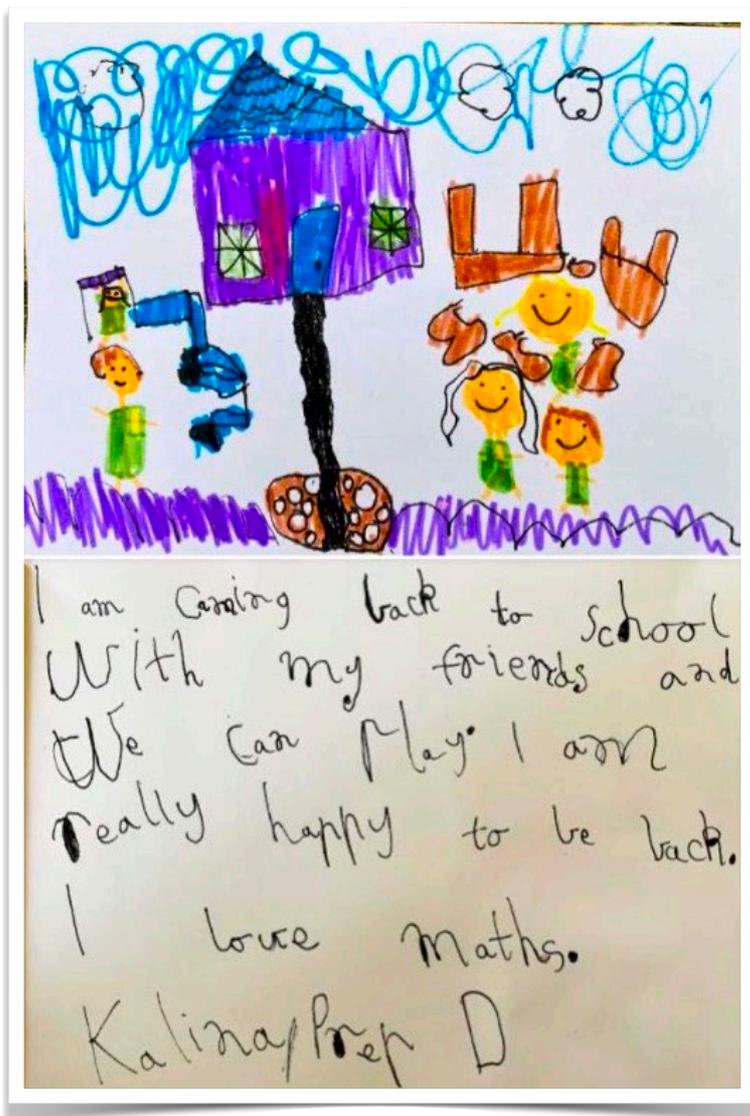

I'm looking forward to coming back to school in a couple of weeks. It will be great to be with my friends and not look at a screen all day. But I will miss sleeping in and staying in my pj's most of the day.

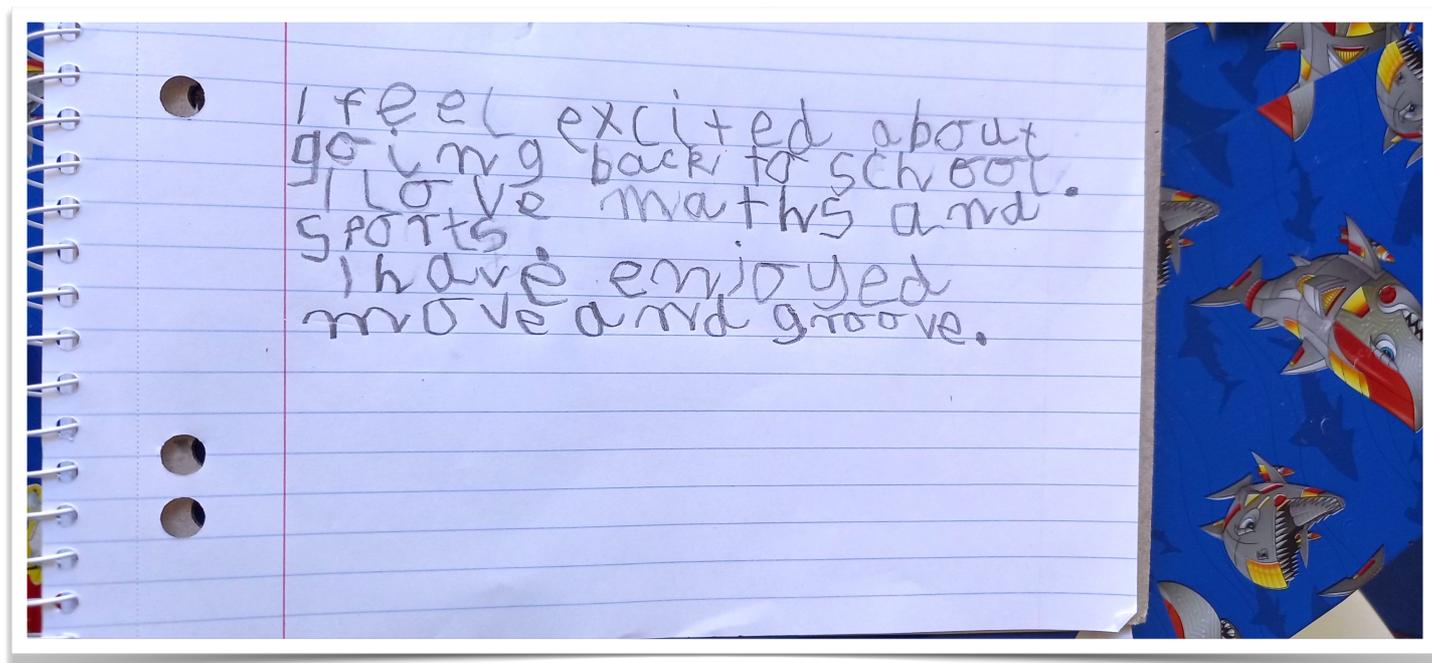

Cheers, Keeley (3/4R)

Coronavirus has been in Australia for almost 2 years now and hopefully it will stop soon. I'm very excited about going back to school, I will get to see my friends and teachers. There are some fun things about doing home schooling like getting to wear normal clothes and getting snacks at any time.

In home schooling I like doing google meets every day to see my teacher and my friends, I like doing art because I get to craft fun things with Miss Hodges and I like doing writing and maths. This Coronavirus is slowly going away, hang in there!

Best Wishes, Mia (3/4H)

I feel excited about
going back to school.
I love maths and
sports.
I have enjoyed
move and groove.

It's been a long time during remote learning but I'm going to tell you my favourite things about it!!

First of all I like doing art because it's very creative and fun. I also like to do writing because I love to write stories! Especially typing them up on google docs and google slides. Another thing is that you get to wear super cozy clothes or just any clothes!!!! One last thing, it's good that you don't have to walk all the way to school. I hope you enjoyed. Bye :) :)

Cheers, Annabel (3/4H)

Life in lockdown is not too bad because I get to spend more time with my puppy, Tilly, and more time with my mum and dad.

I get to sleep in and go to bed late and I have lots of time to play. But I'm excited to go back to school because I will see my friends again and meet the new student and my new teacher. I also love it when my mum gives me notes in my lunchbox. Plus, learning is more fun at school!

Cheers, Emily and Hailey (1/2B)

Hi I'm Ivy and I'm Evelyn and we are twins in Grade 1. We are home schooling at the moment with our brother Avery. At the moment we are learning about fractions in maths and in writing we are learning about information texts like writing about facts. Our favourite things about home school are that you can choose your break time and you can work at your own pace. We like to play outside for our break time and if we do a great job with home learning we get a reward on Friday. Our reward this week is Yo-Gains. We are looking forward to seeing our teachers at school and our friends. We can't wait to play with our friends at recess and lunch.

Best Wishes, Ivy (1/2R) and Evelyn (1/2F)

SEAFORD Little Athletics Centre

On your mark.
Get set.
GO!

THE 21-22 SEASON IS READY TO START.

Seaford Little Athletics Centre is a friendly community focused club that offers fun and fitness for all abilities from 5 years of age.

Are you looking for work?

Join the BSL Jobs Victoria Program

The Brotherhood of St. Laurence (BSL) Jobs Victoria program is an employment service for long term jobseekers living in Melbourne's south eastern suburbs.

We understand that finding work can be very difficult, especially if you have been unemployed for some time. **That's why our program provides intensive, one-on-one support to help renew your confidence and connect you with employment opportunities.**

We can provide the support you need to get job ready.

Our experienced Employment Mentors will work with you to create an employment plan that is suited to your capabilities and interests. They will also help you develop new skills and gain confidence, supporting you with:

- resume development
- job application
- interview skills
- training opportunities
- professional clothing
- connecting with employers
- knowledge of our labour market

Who can join the program?

- people who have been unemployed for six months or more or at risk of long-term unemployment
- people who work less than 12 hours per week in casual or temporary work
- people who are studying less than 15 hours a week
- asylum seekers with work rights
- Australian citizens and permanent residents

This program is supported by Jobs Victoria.
Helping Victoria get back to work.

How do you join?

There are many ways you can register to join our program:

1. Visit our website www.bsl.org.au/services/getting-a-job/jobs-victoria
2. Visit our office at **The Peninsula On The Bay, Suite 13 & 14, 435 Nepean Hwy, Frankston VIC 3199**
3. Give us a call on **0482 168 258**
4. Send an email to JVESFrankston@bsl.org.au

We will step you through the process, and once your registration is complete, we will schedule an intake appointment with you.

"Come to the Brotherhood. They are amazing people, caring and supportive to help you gain ongoing work,"
Yousif, program participant.
